I'm a salesman. I work for a mobile phone company. I work from 9 to 5. My job is really exciting. I love it

I'm a teacher. I work for a high school. I work from 8 to 2 on weekdays. My job is rewarding but it's usually boring. Unfortunately it is a low-paid job as well.

I'm an accountant. I start work at 8 every morning. Actually I have 2 days off. I work for a law firm based in Tehran. I really like my job because it's challenging and satisfying.

I'm a nurse. I work in Shariati Hospital. I have to look after patients and give them medicine. I work day and night shifts. So my job is a little **soul destroying** and **low-paid**. I think I have to quit my job and start my own business.

I'm a bank teller. I work for one of the branches of Mellat bank located in Amol. I'm responsible for handling customer cash and dealing with some services at the bank. My job is well-paid and you know ... fun. I talk to people. I have nice colleagues. I think it's interesting. I love it so much.
